EXPERIENCE

Preschool English Teacher

August 2018 – November 2018

Instituto Arrayanes / Mérida, Yucatán

I was in charge of planning, creating and executing an academic program based on expected learning from a constructivist approach for more than 40 children between the ages of 3 and 5. I managed and supervised schedules, meals, homework, school materials, special needs and personalized academic adaptations of the students. I actively participated in the logistics and organization of school events.

Key achievements:

- I redesigned and transformed the digital tools to facilitate the learning of the English language.
- Transformed traditional tools to improve group management and control, creating a positive environment in the classroom.

Psychologist

March 2019 – October 2019

DIF Municipal / Cozumel, Quintana Roo

I was in charge of the psychological and psychoeducational area of the Child Care Centers (CENDI) that are in charge of the Municipal DIF of Cozumel. In the psychological area, I was responsible for supporting the different health campaigns available at the time, providing psychological care and emotional first aid. In the psychoeducational area, I was responsible for supervising the planning and academic adjustments made by the teachers and monitoring that they were carried out as expected.

Key achievements:

- I improved the registration and interview protocols for parents, in order to improve the registration of necessary information for children enrolled in day care centers.
- I created daily records of observations in the classroom for the teachers, in order to have better control and monitoring of the needs of the students, in order to make the corresponding adjustments.

Child Monitor
